I hope you are asking how to be part of this event!! Don't forget - if you are a business, you will get some great advertising. Here are some ideas for you to consider:

- Sponsor advertising for or activities at the event with a monetary donation
- Donate an item for the Silent Auction
- Participate as a vendor
- Provide some kind of demonstration

We are excited about this event, and we are confident that your participation will help make it successful! Please complete the attached sponsorship form or vendor registration form (or both).

If you are interested in providing a demonstration of some kind, please call or email us with information about the type of demo, and any space or time requirements.
