

# You Are Invited...

*The DCPA Monday night **Bullseye** activity cordially invites **men and women** to come and shoot in an organized but less formal environment.*

Arrive at range #1 between 6 and 6:15pm to allow for set up time. Shooting starts at 6:30pm and ends around 7:45. There is no commitment other than safety and your enjoyment. No scores are kept, but you may keep your own.

## **What is BULLSEYE?**

Bullseye is pistol target shooting from the standing position. You shoot from an assigned "point", at that point's designated target. That target is 2'x2' and is 25 or 50 yards away. The challenge is your group size or score.

## **The Course Of Fire:**

- SLOW FIRE – 10 shots in 10 minutes at 50 yds (25 yds with a reduced target). (Yes, you can do it. It's not that hard.)
- TIMED FIRE – Two strings of 5 shots, each string in 20 seconds at 25 yards, with turning targets. (Much easier than Slow Fire.)
- RAPID FIRE – Two strings of 5 shots, each string in 10 seconds at 25 yards, with turning targets. (Not as easy as Timed Fire, but easier than you think.)

## **Your Required Equipment:**

- Dutchess County or other NYS pistol permit or Authority of Office
- Whatever pistol/revolver that you already own (a .22 semi-auto with 2 magazines is suggested but not required)
- 90 rounds of your ammo (a few extra wouldn't hurt, but you don't have to shoot all 90 either)
- Safety glasses, hearing protection, light duty stapler, masking tape.
- **An NRA Basic Pistol Shooting Course, Women on Target Instructional Shooting Clinic, or similar is strongly recommended.** Information about these courses available on request
- An open mind and a willing heart

## **Your Obligations:**

- Safe firearm handling. **No exceptions.**
- \$5 per week with a valid DCPA membership card, \$15 for non-member guests who would like to try. The money goes to targets, heat, maintenance, etc.
- Have fun!

## **Curious?**

Come Monday and watch. Better yet, bring your stuff and shoot (for free the first week).
