

You Are Invited...

*The DCPA Monday night **BULLS-EYE** activity cordially invites **men and women** to come and shoot in an organized but less formal environment. Shooting starts at 6:30pm sharp and ends around 7:45. There is no commitment other than safety and your enjoyment. No scores are kept, but you may keep your own.*

What is BULLS-EYE?

BULLS-EYE is pistol target shooting from the standing position. You shoot from an assigned “point”, at that point’s designated target. That target is 2’x2’ and is 25 or 50 yards away. The challenge is your group size/score.

The Course Of Fire:

SLOW FIRE – 10 shots in 10 minutes at 50 yds (25 yds with a reduced target) (Yes, you can do it. It’s not that hard)

TIMED FIRE – two strings of 5 shots, each string in 20 seconds. 25 yds with turning targets (Much easier than Slow Fire)

RAPID FIRE – two strings of 5 shots, each string in 10 seconds. 25 yds with turning targets (Not as easy as Timed Fire, but easier than you think)

Your Required Equipment:

Dutchess County or other NYS pistol permit or Authority of Office

Safety Glasses, Hearing Protection, Stapler

Whatever pistol/revolver that you already own (a .22 semi-auto with 2 magazines is recommended but not required)

90 rounds of ammo (a few extra wouldn’t hurt)

An open mind and a willing heart

Your Obligations:

Safe firearm handling. **No exceptions.**

\$4 per week with a valid DCPA membership card. \$5 for non-member guests (pays for semi-annual dinner with the remainder going to the club for expenses)

Have fun

Curious?

Come Monday and watch. (You may as well bring your stuff and shoot for **FREE** the first week)

More info?

Call John Donato 845-897-5664 between 6-9 pm except Mondays - when I’ll be shooting!
