## FALL 2011 COURSE OFFERINGS

### \*\* BEGINNING RIFLE \*\*

Waiting to get your pistol license? Don't wait to get started on learning the basics of gun safety, marksmanship and gun cleaning. Perfect for adults and youth 12 and over, especially those brand new to the shooting sports.

### \*\* GUN CLEANING \*\*

Have a dirty gun? Don't know how to clean it? We'll show you how! This is a hands-on session where you watch how it's done & then you get to clean your own gun. Don't have a gun to clean? The instructors will be very happy to have you clean theirs! If cleaning handguns, must have pistol license. Bring dirty guns, owner's manual, cleaning kit & supplies.

### \*\* PURCHASING GUNS/TRYOUT \*\*

Now that you have your pistol license, it's time to purchase your first handgun! This information session presents information necessary for making the right selection. Students with pistol licenses and who have taken the NRA Basic Pistol Shooting Course are invited to try out different types of handguns. All others are invited to use rifles.

### \*\* ARTICLE 35 – USE OF FORCE \*\*

Also known as "Justifiable Use of Force," this information session provides an overview of this section of the New York State Penal Code. If you intend to carry a firearm, this course is for you. Taught by an instructor certified by the Division of Criminal Justice Services. No pistol license required.

### \*\* JUST BEYOND THE BASICS \*\*

Now that you have taken the NRA Basic Pistol Course, it's time to practice those skills! You work at your own pace, and experienced shooters will be on hand to assist you. Bring your own handguns, hearing/eye protection and ammunition. Pistol license required.

### \*\* INTRODUCTION TO RELOADING (NEW!) \*\*

Ever wonder what goes into making centerfire ammunition? Learn about the equipment and supplies, see a demonstration of the entire process start to finish, and then try it out for yourself! No pistol license required.

### \*\* DRAWING FROM A HOLSTER (NEW!) \*\*

Learn about the various holsters available on the market today, and the process of drawing from a holster. Students must have taken at least the NRA Basic Pistol Shooting Course to participate. Bring your own handgun, holster if you have one, hearing/eye protection and approx 50 rounds of ammunition. Pistol license required.

### \*\* SIGHTING IN RIFLES & HANDGUNS (NEW!) \*\*

You swear you are aiming correctly, but your shots are going anywhere but the bullseye! Could be that the sights on your gun need adjusting! We'll show you how! Bring your own handguns, owner's manual, small screwdriver or other adjusting tool, hearing/eye protection, ammunition. Pistol license required to shoot handguns, not needed for rifles.
