## Fun Shoot for Juniors

## AirSoft Pistol & Rimfire Steel Plate Challenge

All first time shooters receive free instruction and guidance throughout the course of fire.  
Juniors and Non-members Welcome

### 2012 Schedule

**Sunday, Jan 8, Feb 12, Mar 11, Nov 11, and Dec 9**

**9:00 a.m.- Safety Instruction (mandatory) for all first time shooters**

**12:00 a.m.- Shoot begins**

**Fee: \$5 for DCPA Jr. Members and \$10 for Non-members**

(Includes loan of .22 Rifle/Pistol or Airsoft Handgun, Safety Glasses & Hearing Protection)

A variety of targets and their placement make the course interesting. There are 8 courses of fire at a maximum of 35 yards. Abiding by the NYS Penal code determines whether the junior will shoot a .22 Rifle\*, .22 Pistol or an Airsoft handgun at the various steel plates. Juniors 8 thru 20 are eligible to participate.

Times are recorded. A shooter goes through the stage 5 times and each stage time is recorded. The slowest time is deleted, leaving 4 runs for record/stage, which are then averaged for score. There is a maximum of one malfunction string per stage.

**Parent/Guardian must accompany the Junior shooter.**

\* Ruger 10/22 Rifle with red dot scope is recommended

Awards are not given at these matches.
